2018 SUMMER YEARBOOK

**TRANQUILLITY
CAMP
PROUDLY
CELEBRATING
100 SUMMERS**

Our Beloved Founder
Elias A. Cohen

His spirit of "Noblesse Oblige" prevails in this summer haven created by him in 1919 for deserving boys and girls. His unbounded generosity and his wise counsel were an inspiration to all whom he befriended. He helped to develop better Americans, happier human beings, and lasting bonds of fellowship.

Our 1st Lady of Tranquillity Camp
Pearl C. Miller

Tranquillity and Pearl. We knew them as one. For well over fifty years, Pearl loved all the children of Tranquillity as her own. Pearl was our leader. She showed us every day how to live, play and work together in the spirit of Hine Ma-tov. Quick to praise or offer an encouraging word, Pearl inspired us to always try our best. Guided by the inspiration of her uncle, Elias A. Cohen, and with her beloved Henry at her side, Pearl devoted her life to Tranquillity. She will forever remain in the hearts of generations of dedicated Tranquillity-ites.

*Our Wonderful President of
Tranquillity Camp*

Richard Lawrence

Following Pearl's passing, her nephew, Richard Lawrence, stepped in as president of Tranquillity Camp. Over the years, he has truly proven that he is the epitome of "Noblesse Oblige," which is the Cohen family credo, taught to the children of Tranquillity since 1919. Richard has done everything possible to carry on the legacy of his great uncle, Elias A. Cohen, and of Pearl C. Miller, because Tranquillity is in his blood, so to speak, as it is in his heart. Richard's spirit and determination are just two of the keys to ensuring Tranquillity's success today and into its Second Century.

*Our Amazing Executive Director of
Tranquillity Camp*

Richard Lerner

Pearl used to say, "From one generation to the next, traditions are passed down, as is the baton." Who better to direct Tranquillity into its future than Richard Lerner, a former camper and counselor with a deep love for all that is Tranquillity? Under his guidance and leadership for the past 23 years, camp has grown into a true summer haven for all those looking to create wonderful lifelong memories and friendships. The happiness and joy of the campers and staff is the guiding force for Richard and his beautiful wife, Sherrie. It is because of them that Tranquillity continues to thrive and grow.

Dear Alumni, Parents, and Friends.

I would like to welcome everyone to Tranquillity Camp's historic Centennial Celebration. One hundred years is certainly a monumental accomplishment, which would not be possible without the collaborate efforts of all who are a part of the Tranquillity Family. Thank you, to the members of the Cohen Family who are here in large numbers, for your dedication, generosity and guidance. Thank you to the thousands of Alumni who have been touched by Tranquillity and continue to give back, and to the parents, who have been fortunate to be a part of our amazing family and for sharing your children with us.

The vision of Elias A. Cohen and Pearl Miller that Tranquillity continue in perpetuity is certainly a reality. How did it happen? How has TY survived and thrived? Following their lead, we set our own standard. Sometimes against conventional wisdom. "What do other camps do?" is not how we have thrived for our first hundred years. Look at our beautiful Dining Room, The Pearl C. Miller Sports Center, and the Hills boys' houses. All are projects we can be proud of, along with countless other up-grades and enhancements. Although we have grown and improved, we hold fast to the ideals and standards passed down to us by generations that came before us. We question technology's role in our camp environment.

"Carry on", was a favorite expression of Pearl's. It is our duty to carry on and continue the noble work of Mr. Cohen and Pearl. We have all been taught that we have a responsibility to do our best and to help others. Tranquillity's motto, "Noblesse Oblige," is instilled in every child who has spent any time at camp. As Tranquillity prepares to enter its second hundred years, it is incumbent on each of us to help keep the Tranquillity spirit alive. The task is enormous. If your lives, or your children's lives have been touched by Tranquillity Camp, you have an obligation to help us "carry on".

Once again, thank you for being part of our unique Tranquillity Family. Your support and kindness are greatly appreciated by us and future generations of Tranquillity-ites.

Best regards,

Richard & Sherrie

Cheryl's Pearls of Wisdom..... A Message from the Cohen Family

As I compose this letter, there are so many emotions: humbleness, feeling blessed, love for Tranquillity and our extended family. To begin, tears of jubilation fill my eyes thinking of Tranquillity's stupendous 100th summer. The fact many of you are here to celebrate this cheerful event, both physically and spiritually, implies a great deal.

Personally, it is humbling to know my family legacy was instrumental in beginning our camp and that I stand in their footsteps of greatness. Numerous members of the Cohen family helped pave the way for Tranquillity's success. In addition, a great many of you and your families are an active part of our great history. Writing this letter as a family member (Elias was my grandfather Walter's brother) makes me realize: if Elias A. Cohen could start a camp with help of his loved ones and friends, and see it still going strong 100 summers later, we too can accomplish surprising things. All we need to do is try to conquer any obstacle and work hard to reach our goal. We can all affect the world in a positive way, just as those before us did.

While I am feeling so much, this letter is not about me – it is about each of you. Many of you are feeling the way I do. We should all feel proud to be part of the Tranquillity family and part of its history. I am sure Elias A. Cohen and Pearl C. Miller are looking down from heaven – smiling, gratified by the love and support you have shown in the past, and in anticipation of your help in perpetuating the future. As they say, it does take a village. Over 1000 people are coming to our 100th Summer celebration weekend, a testament to the fact Tranquillity merits remembering and preserving. However, always remember, no one family or person can do it by themselves.

Blessed is another feeling that comes to mind. All of us are fortunate to have had this magnificent camp experience. Even though some of us might not have attended camp, it matters not, for we are all camp family and friends joined together by this magical place. We have made companions: those we went to camp with, those who did not go to camp, and those we got acquainted with from other generations. We are profoundly fortuitous to have had this opportunity to learn the lessons of "Noblesse Oblige" and "Hinay Matov." Elias knew when he began camp there were valuable life lessons worth passing on to all of us. These lessons made us the awesome individuals we are today.

A feeling of affection is another emotion – love for Tranquillity and love for each of you. As the song "We All Are God's Little Children," expresses, "The love we have within our hearts is the key to paradise." This is our paradise and our second home. Our kinships are our love for each other and for Tranquillity.

In conclusion, there is appreciation – for every one of you. Tranquillity has 100 summers worth of tender recollections. Let us continually do what we can to ensure the dreams and visions of Elias A. Cohen, Pearl C. Miller, and, now, Richie Lerner live on for at least another 100 years. Kids need this opportunity to learn the lessons we did and develop into upstanding men and women who will help improve this world and create a better place for us all to live. I sincerely thank you all for what you have done and thank you in advance for what you will do in the future. Tranquillity is in your hands, in your hearts, and in your minds.

Love Always, Cheryl Schwartz Janer

Dear Friends,

This year, we are celebrating an incredible milestone: Tranquillity Camp's 100th Summer! We are thrilled that you are here to be a part of this celebration. This is the biggest event the Tranquillity family has ever hosted, and it promises to be an unforgettable weekend.

The 100th summer is a unique moment in Tranquillity's history, and many of you have probably seen it as an opportunity to reconnect with old friends. We are thrilled to welcome back so many people who have not been at camp for many years, and we hope you will stay in touch in the months and years to come. Several years ago, the Tranquillity Alumni became Friends of Tranquillity Camp to include parents, grandparents, business associates and many other friends who did not attend as campers but were attracted to our mission and dedication to support Tranquillity Camp. We eliminated membership dues so that everyone who so desires is automatically a member of our ever-expanding family.

As has been the case since Tranquillity's founding in 1919, camper fees only cover a portion of the actual cost of attending camp. Just as you, your parents, your children or your friends were given the incredible gift of a Tranquillity summer in years past, please help us build our endowment fund to secure the same gift for future campers.

What better way could there be to celebrate the past than by ensuring the future? We have a wonderful opportunity, in the spirit of Noblesse Oblige, to show our deep appreciation for the lifelong memories and friendships that camp has given to us and our families. It's time to pay it forward. Many of you already have, and we thank you sincerely for that.

Friends of Tranquillity Camp has contributed to many special projects over the years. Come and see what has changed at camp since 2000, thanks to your generosity:

- ❖ Pearl C. Miller Sports Center
- ❖ The fishing dock on Lake Pearl
- ❖ Street Hockey Rink
- ❖ New boys' housing – The Hills
- ❖ The new Bungalow
- ❖ Restoration of our beloved Barn
- ❖ The Health Center
- ❖ Updated blacktops
- ❖ TY House – renovated Kitchen Room and Showers

Have a great time tonight with your friends and family. Have a great day tomorrow on Alumni Day, exploring all that has changed and all that has stayed the same all around our beautiful camp.

On behalf of our hard-working board of directors, thank you for your support.

Yours in Noblesse Oblige,

Cary

GREETINGS FROM OUR FRIENDS OF TRANQUILLITY CAMP, CHAIRMAN EMERTITUS, HAROLD WEINMAN

As a former 1950's camper, waiter, counselor, father of two former campers of the 1980's, and the grandpa of two current millennial campers, I can tell you first hand you are in the happiest camp in the whole world! On behalf of my family and myself, I welcome you to the 100th Summer Gala and hope you have a great time this weekend connecting with new and old friends.

It gives me great pride to know our gala event is filled with so many former campers and counselors. Some of you have remained part of the Friends of TY (FOTY is the name of our alumni organization) and were campers as long ago as the 1940's. Many of you are coming back to camp for the first time after many years. Either way, I hope you enjoy this special weekend and that you will continue to support the Friends of Tranquillity Camp, our volunteer-based organization. Over the years we have made sure your donations were well-spent on our major projects and building improvements, creating the camp you see today. I will name a few of those projects, but I encourage you to visit all the new wonderful facilities!

The Dining Room - designed by former camper Sam Leve, The Arts & Crafts House, The Pools, The Tennis Courts, The Fishing Dock with Lake Pearl paddle boats, The Mini Golf Course - designed and built by Richard Lawrence, The Ropes Course in the woods just off the Henry Miller Field, The Pearl C. Miller Sports Center - designed by former camper and our current President Cary Spiegel, The Hills...and, most recently, our state of the art Infirmary.

It is through our fundraising efforts and by your generous donations, along with the Cohn, Lawrence, and Schlang families that we have been able to raise the money needed to ensure our buildings remain the best. When I first came to Tranquillity Camp in the 1950's, The Manse was the first place I lived, followed by Junior House, and The Shed. Two of those buildings were torn down and replaced by boys' bunks that today we call The Hills, go see them! **Over the last 40 plus years I have had the honor of being a member, President, and Chairman of the Board of your alumni organization, The Friends of Tranquillity Camp. I must say thank you for helping us create the most beautiful camp in the USA!**

I must also take this opportunity to say thanks to our camp Director Richard Lerner. Richie, like many of you, is homegrown. He was a camper, counselor, and waiter at Camp TY. For the last 24 years, Richie has made sure we instill Tranquillity's lesson of Noblesse Oblige in every camper. He makes sure every camper has the opportunity for the most enjoyable experience at camp. I also want to thank his kind, hard-working, and incredible wife Sherrie!

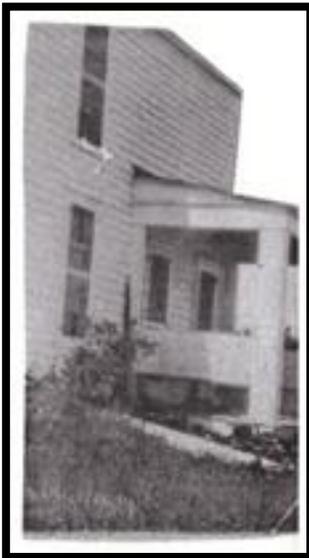

In closing, I wish you all a great weekend and I encourage you to look around and enjoy the new projects which would not have been completed without your support!

Thank you and keep up the good work. Here's to ensuring our next 100 years.

Fondly -

Harold

Tranquillity Then

Tranquility Now

Tranquillity Forever

Through your continued support, Tranquillity Camp can thrive forever. We can't do it without each and every one of you. Spread the word about the excellent work that Tranquillity Camp does to ensure future campers will attend. Consider making as many donations as you can so that nobody will be turned away because they can't afford it. Remember, the first campers that Elias A. Cohen brought up to camp were there on scholarship – he, his friends, and his family all raised money to achieve this wonderful mitzvah.

Tranquillity Camp Song Sheet

THE TRANQUILLITY HYMN

Sung with reverence, respect, and love, The Tranquillity Hymn is the Alma Mater of our camp. Written in 1953 by Sylvan Cohn Lawrence and Lily Peckter, its stirring words, put to the exquisite music of the Second Movement of Beethoven's Fifth Symphony, have become our theme song. It has been sung ever since to open every Saturday Night Program and every formal Tranquillity gathering.

Music sweet resounds afar;
Above the trees, above the pine-tipped forest tall
Thy mountains strong re-echo long
Hail Tranquillity; Hail Tranquillity;
For we'll e'er shout thy name, ever bear thee to fame;
Hail to Tranquillity!
Hail to Tranquillity!

Unto thee, Tranquillity
We pledge our faith, our love and all our loyalty;
Thy banners blue, thy standards true,
Will hold us firm united; to thy motto knighted;
Noblesse Oblige is our cry, we will hold it on high
Hail to Tranquillity!
Hail to Tranquillity!

THERE IS A FARM

This song was written in the early 1920's by Henry Klein.

There is a Farm way up in Earleton
Tranquillity is what it's called
A paradise of flowers and a mass of lovely bowers
With fields and flowers spreading ever-wide.
That's where we love to spend our summers
That's where we dream of ideals true,
For we'll always cherish and revere the name we love so dear
Tranquillity, Tranquillity, Tranquillity.

"T" FOR THE TRAIN (TRIP)

Prior to 1991, campers took the train from New York City to Hudson, NY and then a yellow bus to camp when this song was originally written. The original words were, "It's 'T' for the train and the trip that we take to the camp that can't be beat."

It's "T" for the trip on the bus that we take to the camp that can't be beat
It's "R" for the reason we come back each season, to make our joys complete.
It's "A" for acclaim, and it's "N" for the name that means so much to you and to me
Then it's Q-U-I-L-L-I-T-Y, put together, spells Tranquillity.

WE WELCOME YOU

We welcome you to Tranquillity. We're mighty glad you're here.
Rah, Rah
We'll set the air reverberating with a mighty cheer.
We'll sing you in, we'll sing you out, for you we'll raise a mighty shout.
Hail, Hail the gang's all here
And you're welcome to Tranquillity.
Yea - - - -!

WE'RE A BUNCH OF CAMPERS

We're a bunch of campers, campers are we
We hail from T-R-A-N-quillity, ta da, da, da, da, da
We're a bunch of campers, campers are we
We'll keep on singing for Tranquillity.

OH ME - OH MY

Oh me,
Oh my, we'll get there by and by
If anybody loves Tranquillity it's I, I, I, I, I.
Oh my, Oh me, our hearts are full of glee
If anybody loves Tranquillity it's me, me, me, me, me.
Tranquillity, Tranquillity, we are singing, praises ringing
We will never find an equal
Tranquillity here's to you, boom, boom.

TRANQUILLITY INTERNATIONAL

During the long, sad years of the Second World War, Tranquillity became a haven for hundreds of refugee children who had come from the war-torn countries of Europe. Though they spoke many different languages, in song theirs was one. This is what they sang:

Tranquillity campers are singing, praising the camp they adore
From nations they come that are different, to the American shore.
From France, and Spain, and Germany, and others they came,
To bring to Camp Tranquillity, her share of fame –
To bring to Camp Tranquillity, her share of fame.
So here at the camp we are happy;
For friendship knows no tongue or land
And though there's a difference of language,
A smile we can all understand.
Our memories of camping days, forgotten never
In hopes we may return again,
Tranquillity forever;
In hopes we may return again,
Tranquillity forever!!

Arnie Menis; or his dad, Stuart Menis, who all spent their summers at TY.

I will always be grateful for the immeasurable joy and invaluable lessons camp has added to my life. My Tranquillity memories remind me that life can be idyllic.

May Tranquillity continue to nourish young souls for another 100 years.

You can always recognize another TYer when they:

Attempt to chew their corn 32 times.

Need to let their bed air out until after breakfast, before they make it. (Definitely me!)

Understand when you tell them the Tranquillity locomotive is not a train.

Chant "Alla garoo, garoo, garah" when someone does something nice for them.

Congratulations on Tranquility's 100th summer! What an achievement! I spent some of my happiest years as a camper and counselor at T-Y in the years 1948-1958. I remember Pearl and the wonderful job she did very vividly. I shall forever treasure the beautiful meadows, the cows, the chickens, the orchards, and the corn fields which were part of the T-Y experience. It influenced me so much that for several years, I was a partner in a rural property in Australia.

Kind Regards, Norbert M. Chotiner

Happy 100th Summer
Camp Tranquillity

Dear Uncle E.A.

"Noblesse Oblige" ... If you have a gift, you are morally "obliged" to use it.

For the last 60 years, that message has been a beacon for me, and for countless others.

But your lesson runs deeper.

Placing that message front-and-center implies an unspoken faith

that every single one of us has a gift to be shared!

What a special lesson that is!

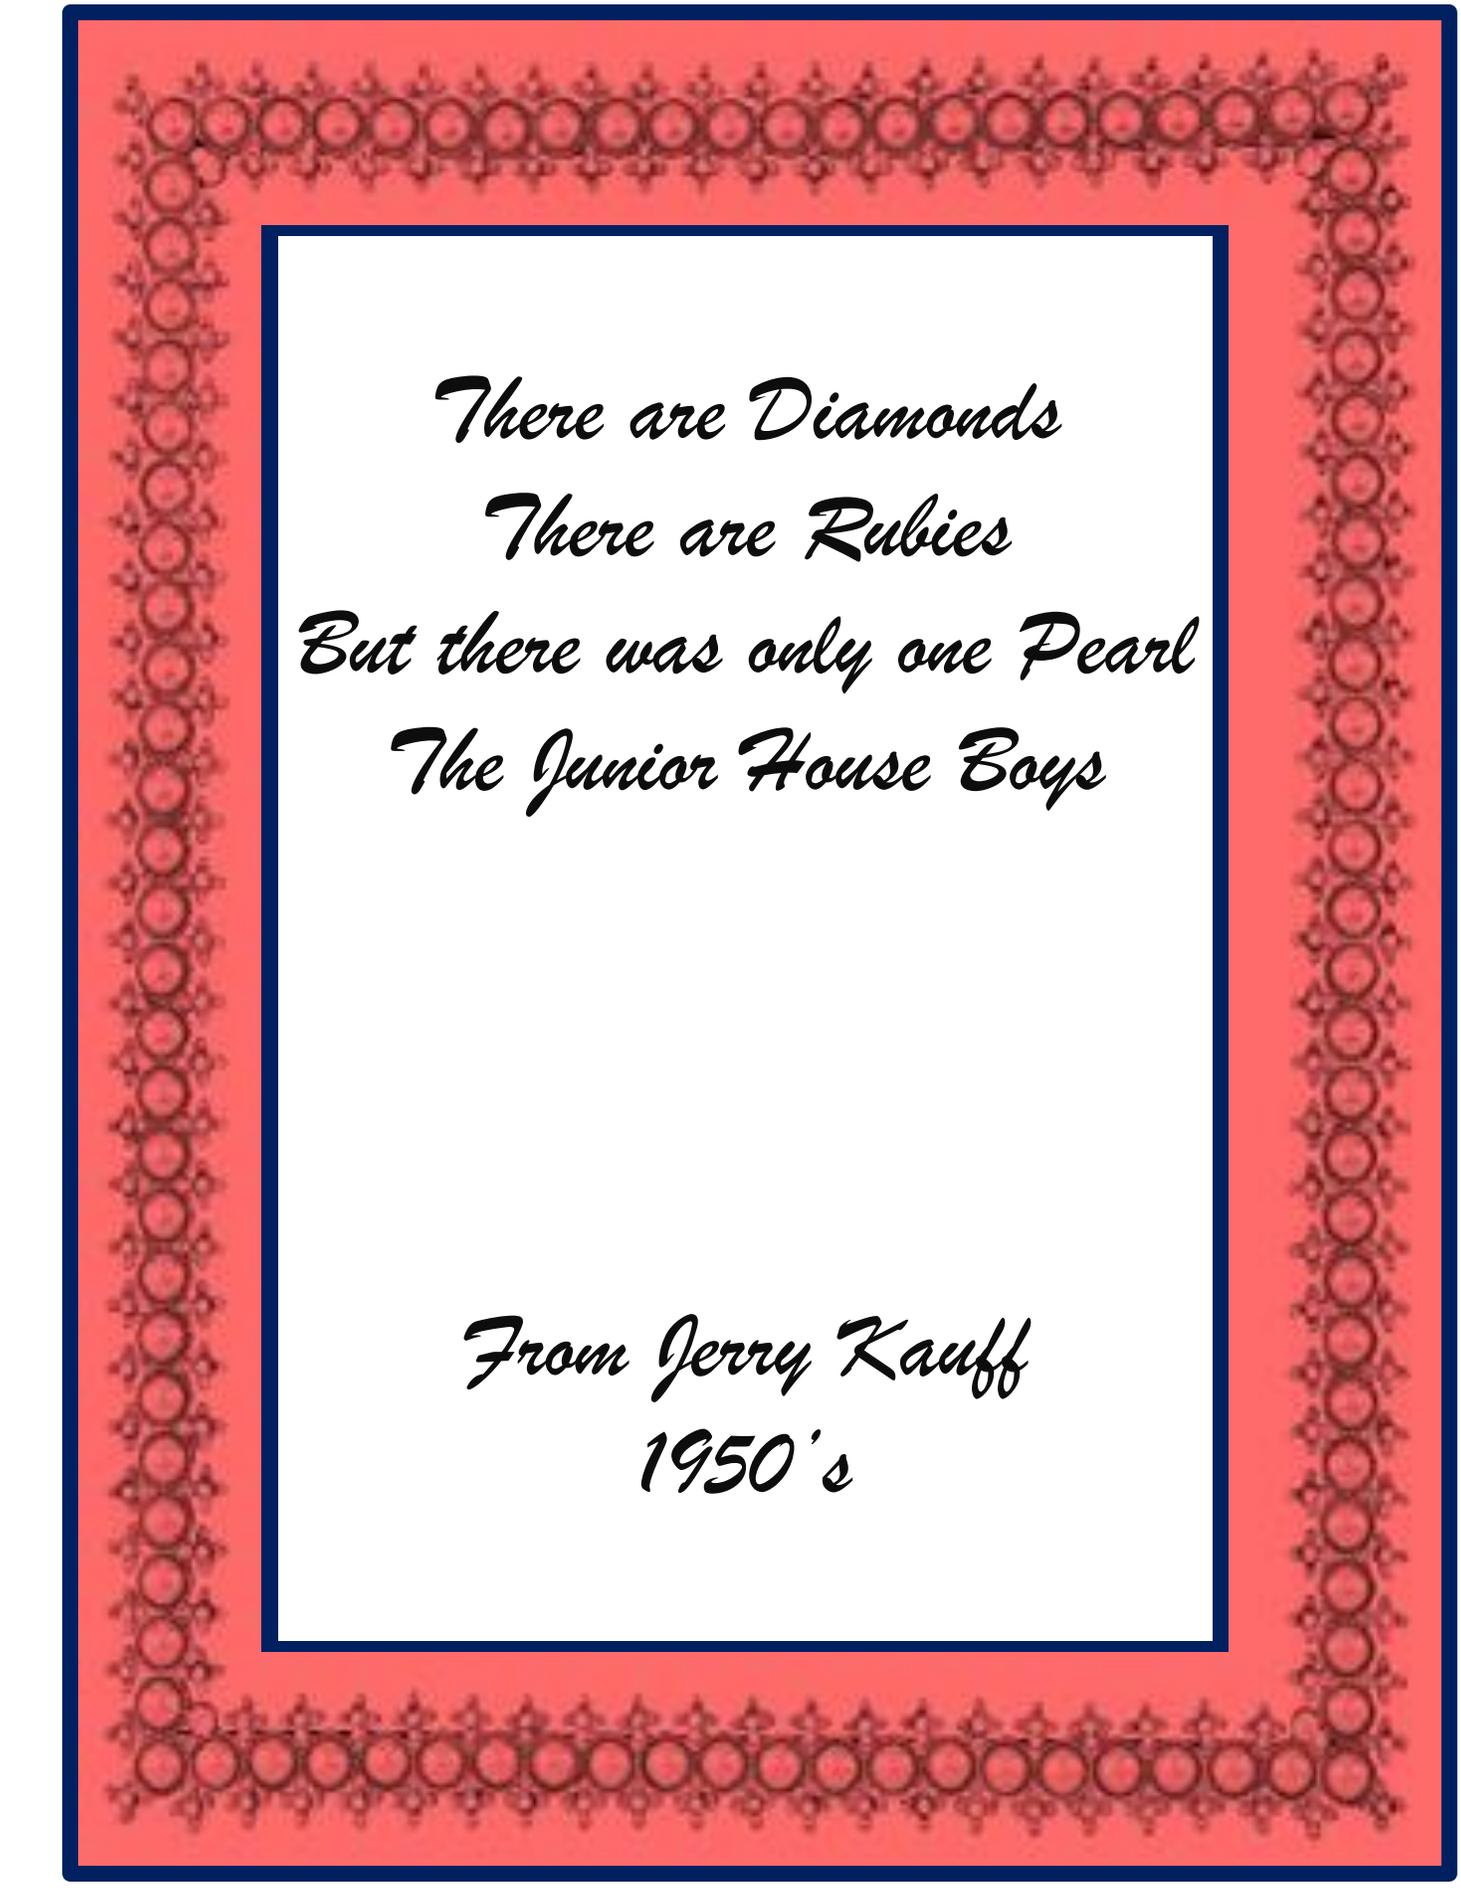

Thank You

Michael Andron, your great nephew

Proud to have spent my summers there in the 70's and 80's as a Camper, Staff Waiter, CIT, Counselor and Head Counselor. Some of the greatest memories I have are of camp. I didn't know it then, but much of who I am comes from the experiences I had at Tranquillity.

A shout out to all the friends I have lost touch with over the years and "catch up with" only on Facebook.

To another 100 years.

Happy 100th Summer. So happy to be part of the TY family.

Steve, Judy, Brett, and Marissa Kanter

Congratulations to our son, Michael Schneberg, or 'Magic' who started camp in 1999 and eventually became a Head Counselor in the Hills until he was 20. Michael just got engaged to Perri Taxin and will be married next year on May 26, 2019.

Congratulations also to our daughter, Marisa Schneberg, who just finished grad school with her Doctorate in Physical Therapy from Stony Brook University. She started camp in 2001, the year I was diagnosed with breast cancer, and Tranquillity provided me the respite I needed to get through my chemo treatments. Thank you to Richie for 'breaking the rules' and allowing them to talk to me on the phone to hear that I was OK. Marisa was also a Head Counselor in Overlook. These were some of the best years of their lives. Mazel Tov Tranquillity on the first 100 summers. Here's to 100 more!

Sixty-one years ago, Mitchell Wurmbrand asked Diane Goober for the last dance at a Tranquillity Camp Junior Dance. The rest is history.

My Years at Tranquillity Camp

Sharon (Solomon) Wolff
TY Camper/Counselor 1964-1971

I first came to Tranquillity Camp in July 1964 as a 12-year-old. About 21 girls lived on the top floor of TY House, aka The Barracks, with 3 counselors. We were also referred to as The Barrack Girls.

Back in the day, camp had its meals in the TY Dining Room, which is now the TY Playroom. Believe it or not, that room held 200 campers, counselors, Pearl, Henry, HC, and the occasional weekend guests. I refer to that as intimate dining, and being a lefty was not easy.

Also, while I was a camper in TY House, we did Monkey Drills on the handball court, to a recording of Chicken Fat, by the late Robert Preston (Professor Harold Hill in the movie version of The Music Man).

We didn't have cell phones, computers, golf carts, swimming pools, The Elias A. Cohen Dining Room was a dream, the Pearl C Miller Recreation center wasn't even a thought. The 200+ campers, myself included, had good old-fashioned fun.

I love all the new additions to Tranquillity Camp, yet, when I would come up to visit, and now for visiting day, it is and always will be the camp that I adore.

Sharon L Wolff

A Big Tranquillity Shout Out to:

Richie and Sherrie Lerner

Tranquillity wouldn't be what it is today, would not be the most special place for so many kids would not have the traditions, Oblige spirit, if it weren't for of two people, Sherrie and

and families, love and Noblesse the tireless efforts Richie.

Thank you, Sherrie and Richard, for your all you have done...thank you for all that you do to keep the Tranquillity spirit and traditions alive!

Carol (Simon) and Fred Lerner met at Tranquillity in 1962 and recently

that span Sam

celebrated their 51st wedding anniversary. We are one of many families four generations at TY as Carol's Dad, Simon, started in 1920 and whose great-granddaughter attends today.

The last of a Great Generation. Mike gave much to Tranquillity, serving its many Boards and the Alumni. He was a warm presence with a strong personality and a great smile. Of Pearl's generation, he spent his childhood at Tranquillity before it was a camp. He told wonderful stories of that time. Mike was a visionary and set his sights beyond the horizon that he always yearned to cross. He would sketch out his ideas and then follow up with perseverance, precision, and the guiding light of Noblesse Oblige to bring these visions to fruition. Lake Pearl is a shining example of his creativity, enthusiasm and tenacity in action. Tranquillity, always in Mike's full heart, will now be his eternal "summer home".

Mike was accomplished in the Real Estate field, learning from his Uncle EA, his cousins and his brothers. He was a presence on Wall Street and worked closely with the icons of finance in the early 20th century. He is missed.
